A detailed oil painting of a three-masted sailing ship, likely a clipper, navigating through a rough sea. The ship is shown from a low angle, emphasizing its scale and the power of the waves. The sky is filled with soft, golden light from a setting or rising sun, creating a dramatic atmosphere. The water is dark and turbulent, with white foam from the ship's wake. In the distance, other ships are visible on the horizon. A teal-colored banner is overlaid on the left side of the image, containing the text 'ABOUT BURMESTER & STÜVE' in white, uppercase letters.
